

Become an Intern at the DAI Nürnberg!

The DAI Nürnberg is a non-profit cultural center that has served as a contact point for Franconians regarding U.S.-American topics for over 75 years. As an official American Space, the DAI provides an intercultural meeting place and English library for Germans, Americans, and international citizens of all ages. Through our programming, we provide information about American history, politics, and cultural life in the U.S. as well as engaging in current and historical German-American affairs, working to further the German-American friendship.

We are seeking **German nationals, U.S. nationals, and international students** who are currently enrolled in a German or American university to support us as an intern. The duration of the internship is 8-12 weeks, 4 days per week. Schedules will be determined individually. For Americans and international students, knowledge of German is an advantage. All applicants must be fluent in English (C1). The internship position is unpaid.

Interns will have the opportunity to work with us in the following areas:

- Social Media Content Creation and Management
- Cultural Program Support
- Library Support
- Public Relations and Advertisement
- Website Management
- Media Monitoring

Candidates ideally have an academic background in American Studies, English, International Studies, Political/Social Science, or similar fields. However, we are happy to accept students from other majors who have an interest in American culture and the English language. We welcome anyone who is motivated, friendly, responsible, creative, and eager to help foster the German-American friendship with us!

Please send your application including **cover letter, resume/CV, and certificate of enrollment** to Program Manager Kathryn Trotter at trotter@dai-nuernberg.de. Please also let us know your possible timeframes for the internship.

If you have any questions, please contact Katya Davis at davis@dai-nuernberg.de or +49 911 230 6912. We look forward to receiving your application!
